DIV. OF OIL, GAS & MINING

Hi David,

Per our conversation yesterday, you plan to submit an amendment request to your existing Notice of Intent to change the company on the permit, rather than a permit transfer request. You will need to send the attached page 12 to the Division. It should be consistent with the attached printout of the company you want on the permit (11032014.pdf).

Also provide and sign the attached amendment request form (MR-REV), indicating that you are going to replace the authorized officers.

Let me know if you have any questions. Thanks for the patience.

Peter
